

Extreme Presentation Skills - 2 Day Foundation Workshop

- ✓ Presentations at all levels, up to Board Level
- ✓ Motivational Sales Conferences
- ✓ One-to-one influencing sessions
- ✓ Developing Impact and Leadership

Excellent communication skills are absolutely essential to effective leadership. The leader must be able to share ideas and transmit a sense of urgency and enthusiasm to others. If a leader can't get a message across clearly and motivate others to act on it, then having a message doesn't even matter.

What EPS Comms Limited Can Offer You

We offer a range of workshop based courses, which are very intensive thanks to a high ratio of trainers to candidates.

Our 2-day foundation course, called **Extreme Presentation Skills** (EPS), will take you far beyond the conventional techniques of any other "Advanced Presentation Skills" course.

We help you develop the key behaviours and rhetoric used by charismatic speakers.

When you apply these skills in the work-place your impact and 'presence' will be greatly enhanced, and *all* your communications will become more effective.

EPS Course Objectives

- Understand how great speakers capture and maintain audience interest
- Learn the techniques needed to prepare superb presentations making best use of presentation tools and visual aids
- Practise voice, movement and language to project powerful personal images
- Be able to apply these skills immediately

Workshop Style

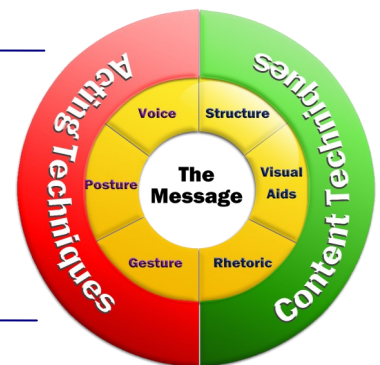

You will be stretched and challenged to improve your presentation content, and practise your delivery skills.

A professional actor will coach you in voice projection, body language and movement.

An expert presenter will work with you on content, format, structure, and script.

You will analyse footage of great speakers and understand their secrets.

Instant video feedback will highlight your dramatic improvements as the day progresses.
